Additional information

1. ALCOHOL SERVICE

At Urban Flair, we do not sell alcohol, as this requires a liquor license that we do not have.

When you are supplying alcohol to a private event, you do not need an event liquor license as long as it is not open to the public and in a private area.

Therefore, as long as you supply all alcohol and beverages, Urban Flair can serve them, with Flair!

We can provide some treats if you want to add some sweets & savouries with your drinks.

If a liquor license is needed, this can be obtained by the venue.

2. RUBBISH AND BOTTLES

We are disposing of all our rubbish bins & bottles collected in the mobile bar area.

We also recommend that you encourage your guests to dispose of/recycle their empty bottles in the bins provided by Urban Flair.

3. SUPPLIES

You will need to supply all alcohol, and any other ingredients that you want to be served with your cocktails. We will supply our own mixers.

We will send you a list of what we will need on the big day.

Buying directly your alcohol & other supplies from the supplier allows you to save money and avoid the expensive marked-up price.

4. BOOKING

Once your event is confirmed and the non-refundable deposit has been received, we will take no other booking for that day. That is your day!

Full payment is required 2 weeks prior to the event, which is non-refundable.

An event canceled due to New Zealand COVID restrictions will receive an 90% refund, or the option to reschedule for a different date within a 12 months period.
